

## Pi Mu Epsilon (OSU Math Club) 2014–15 Membership Application

The OSU Math Club is a joint chapter of **Pi Mu Epsilon** (PiME), a national mathematics honorary society, and the **Mathematics Association of America** (MAA), a professional organization. We sponsor lectures, math competitions, and other events to support and promote mathematics. Local dues are \$5 per semester or \$10 per year.

National dues for PiME are \$20, payable *once per lifetime*, and include a one-year subscription to the Pi Mu Epsilon Journal. National PiME members are entitled to list honorary society membership on their resumes and may wear gold and purple honor cords with their cap and gown at graduation. Membership in **Pi Mu Epsilon** is open to

1. Undergraduates who have completed Calculus I and II and 6 hours of Math with a Calculus prerequisite with a 3.0 Math GPA and 3.0 overall GPA;
2. Graduate students in Math with a 3.0 Math GPA for the past year;
3. Faculty in Math and related fields.

Membership in **MAA** costs \$35 per year and includes electronic subscriptions to all of their journals. See their web page at <https://www.maa.org/membership/apply>.

To join, please fill out this form, giving your name as you wish it to appear on your certificate, and using your address for the journal subscription. Circle the relevant amounts, attach a check payable to Pi Mu Epsilon, and turn it in to any officer or to Dr. Mantini in MSCS 410.
